

Vitech Business Group, Inc. Hires New Senior Account Manager – Chris Anton

Bellingham, WA (April 09) - Vitech Business Group announces that it has hired Chris Anton as their new Senior Account Manager. He is responsible for supply chain solution software and professional services sales in North America. Mr Anton's most recent experience was in the position of Account Manager at HighJump Software, a leading provider of supply chain execution solutions. As an Account Manager, Mr. Anton was responsible for expanding relations with strategic clients like Corning, Bausch & Lomb, Guest Supply, The Strive Group, and Broadridge. Prior to his Account Manager role, Mr Anton was responsible for implementing a new business development program, contributing to HighJump's double-digit growth from 2001 to 2004 when 3M acquired HighJump.

"I am very excited to be part of the Vitech family," comments Anton. "Vitech has an outstanding reputation for selling and delivering adaptable supply chain execution solutions from HighJump's Supply Chain Advantage Suite and voice solutions powered by Vocollect. I look forward to contributing to Vitech growth and reputation as a market leader in the supply chain execution space."

About Vitech Business Group, Inc.

At Vitech, we use our knowledge, experience and passion to achieve exceptional levels of supply chain performance for our clients. We are focused on providing our clients comprehensive solutions that solve their supply chain challenges and enable their operation to perform to its full potential.
